Infant News

This week in infants we have been focusing on the Easter story. Students have been learning about the important days during Easter and are on the countdown on the Lent calendars. This week students have also been learning about using our online literacy and maths learning systems. Once students are confident with login in and navigating their way around these sites I will send home their passwords so that they are able to access the sites from home for free.

Parent helpers will once again be needed in term two. A huge thank you to the parents that have helped this term and I look forward to continue working with you all. If there is anyone else who is available to help next term, could you please send in a note with the preferred days.

On Saturday I was lucky enough to be involved with the Deb Ball. A huge congratulations to the five Kinder students who participated and did so well.

Have a happy and safe Easter,

Teacher Interviews

Interviews took place yesterday for the primary classroom position. Parents will be informed of the successful applicant next week and this person will officially start in Term 2.

Deb Ball

Thank you to those parents who were able to assist with the organisation of the Deb Ball as this is one of St Joseph’s annual fundraising events.

Evan, Alex, River and Kurt transformed into handsome princes and Indiana was a beautiful princess for the Catholic Deb Ball. I have heard many glowing stories about how the children represented St Joseph’s at this big event. Thank you to their parents for allowing your child to be part of this special occasion.
Primary News

On Tuesday the primary students, joined by students from Bombala Public School and some Year 7 students from Bombala High School, visited significant historical sites in Delegate and Bombala. Presented by Steven from the Bombala Shire Council, the students were able to appreciate the lifestyles of the early settlers in Delegate by visiting one of the first huts built in the area and looking at art and craft produced by local Delegate artists and the museum commemorating the involvement of men and women of the Delegate community who were members of the armed forces.

The students enjoyed recess at the Delegate Community Park before returning to Bombala to visit the Bombala courthouse, the Bombala Railway Station, Lavender House and the Bombala Historical Society Machinery shed. Many thanks to the various speakers who shed information about these historical places with the students.

Young Leaders Conference

Monique, Katie and Miss Crannis travelled to Sydney for the Young Leaders Day Conference which was held at the Sydney Entertainment Centre where approx. 6000 people were in attendance. This event has been held for 15 years and the aim of the day is to inspire students to begin a life-long journey of leading themselves and others according to good leadership values. The conference acknowledges that children can make a positive difference in the world both now and in the future.

Going Green
