Southern Region  
Swimming Narooma

20 February 2017  
Swimming Lessons K-4

21 February 2017  
6-7pm Parent  
Information Night

During mathematics in Year 1/2 we have been learning about 'Investigating Whole Number'. In this unit students explore how to represent up to two-digit numbers using objects, pictures, words and numerals.

We have been using concrete materials to investigate a variety of numbers and having lots of fun in the process!

Miss Sato, Year 1/2 Teacher

### February Birthdays

- 2 Nikolas Gay
- 7 Lachlan Simpson
- 8 Kate Yelds

**INFORMATION SESSION**  
**Changes to Service**  
**Provision under the NDIS**

You are invited to attend an information session to update you on changes to MEIS' service provision across the region.

With the NDIS roll out well under way we are seeing more children transitioning to the NDIS now. MEIS is working under a different funding model and this has resulted in changes to our service provision. MEIS is also an Early Childhood Early Intervention (ECEI) Transitional Provider in this region until July 2018. In this role we will accept and manage referrals for new children.

We are aware of the general lack of information and confusion in the community about what the changes really look like and how these might affect you. We are keen to collaborate with you in the best way to support the children's learning, social participation and inclusion both in your settings and the general community.

Please join us to hear more about the services we offer, the extent of ages we cover now and have your questions answered.
