

St Joseph's Primary Bombala

TERM 1, WEEK 4

NEWSLETTER DATE 22 FEBRUARY 2017

"Remember we are but travellers here" St Mary MacKillop (1873)

In class with Miss Albert

Year 3 has begun the year brilliantly, with a focus on learning about ourselves, our abilities and ways in which we can be kind to ourselves and each other. Students have been learning about and celebrating the importance of making mistakes, especially in subjects that we find challenging. We have been

focussing on whole number in Maths and grammar in Literacy as well as making our writing more interesting under the guidance of Kaye Lowe's visit in week 2. One of our most exciting lessons so far was looking at the beauty in ourselves and each other as we created our own birthday calendar for our classroom and began planning what our classroom would look like this year.
