Dear Friends of the St Joseph's Community,

The quote above comes from the homily The Pope gave at the Palm Sunday Mass he celebrated last Sunday. Within this message the Pope highlights Jesus' love for us, transforming those moments and experiences which see bitter and anti-life, into moments of grace and healing. This is where we can incorporate this message into our everyday life, by focusing on the positives of situations and complementing rather than criticising. St Joseph's encourages each family to make time to be involved in or reflect on the Easter Liturgies, the reason why we celebrate Easter and what this time means to us and our families.

Next Week:

Elizabeth Moroney from Catholic Education and Matthew Garton, Principal from St Benedict's in Canberra will be visiting St Joseph's on Wednesday.

Next Friday will be St Joseph's first School Assembly for the year. Parents/Carers and Family friends are invited to join us at St Mary's Parish Church. Our assembly will commence at 2pm.

Saturday the SCC will host Bombala's Annual Deb Ball. Tickets are available from Champions Shoe Store

Senior Class

Dear Parents/Carers,

Welcome to the final throes of the term. This has been a very busy term with the class appreciating the many demands placed upon the environment and people when it comes to ensuring a balanced approach to wildlife conservation. We have been using various photos from India (and other places) as a stimulus to assist with descriptive writing and grammar usage. This work will culminate with students producing their narrative writing piece 'A Day in the Life of Mowgli the Jungle Boy'. The class has also produced some interesting pieces of art based on the Kolam designs from Southern India and the Madhubani painting style of Northern India. Enjoy your Easter break.
