Year 1/2 News

Year 1/2 had a very busy first semester! During Term 2 a highlight in literacy was writing pen pal letters. Pen pal letters are a great opportunity to provide students with insight into how other children in Australia live their lives. Our students pen pals are from the Camden region in Sydney and on the first day back of Term 3, we received return letters from the students!

Year 1/2 were extremely excited to find out the differences between living in a rural area compared to living in the city. Their school has over 700 students and there are ten stage 1 classes!

We discussed what our school would be like if we had over 700 students and decided it would be very hard to play any games at lunch because you wouldn't be able to move on our playground! We learnt that some of their interests are very similar to ours such as playing with their friends and watching movies in their spare time.

We are now busily writing our letters back and can't wait to continue this form of communication.
