

St Joseph's Primary Bombala

TERM 3, WEEK 2

NEWSLETTER DATE 26 JULY 2017

"Remember we are but travellers here" St Mary MacKillop (1873)

Dear Friends of the St Joseph's Community

Welcome back to Term 3. As always, we have begun with lots of enthusiasm and laughter from both students and staff. Term 3 is always busy and this year is no exception.

Earlier this week we hosted a Kinder 2018 'Meet and Greet'. A good number of parents and their children participated, thank you to Mrs Sten and Mary Ventry for organising the activities for the children and to Simone for cooking such beautiful scones. We will be following this meet and greet up with a special 'Teddy Bear Picnic' morning on August 25. This will be held just before several Orientation mornings later in the year. As staffing and resources for 2018 are based on the number of students enrolled by late July, it is important that I am aware of potential new students in all year groups as soon as possible.

By now, some of you may have spotted our new 'School window' downtown. It is another way of ensuring that the community is aware of the exciting learning activities that take place daily at St Joseph's. Thank you to Mrs Sten and Mary Ventry for organising it!

We are very grateful to Bombala Public School for inviting our students to attend a presentation on cyber safety next Wednesday, this invitation is further extended to parents/carers to attend the evening presentation commencing at 6.00pm in the High School Library. Due to this Tennis lessons next Wednesday will have to be postponed until later in the term.

Catholic Education has recently provided School TV, a digital wellness platform for our families. The content in this multi media site is based around real issues faced by parents and children today. The website provides links to leading specialists and organisations who provide valuable information and resources about specific topics. Monthly topics include issues such as anxiety, self harm, body image, sexting, social networking and screen and internet addiction. I urge parents to keep themselves informed by regularly checking the website.

The link is <http://stjbombala.nsw.schooltv.me/newsletter/internet-addiction>

Unfortunately, I now need to have another eye operation next week. Mrs Shannon will be Acting Principal in my absence, so the school will be in very good hands. Please don't hesitate to contact Alice with any questions or issues.

May God Bless,
Noeleen O'Neill
Principal

Beauty & the Beast—Performance at Lumen Christi

Last Thursday St Joseph's students travelled to Lumen Christi in Pambula to view the dress rehearsal of the musical performance of Beauty and the Beast. This is a wonderful opportunity for our students to connect with other students in the Archdiocese.
