TERM 3, WEEK 5

NEWSLETTER DATE 16 AUGUST 2017

*"Remember we are but travellers here" St Mary MacKillop (1873)*

## Congratulations Max

Each year the Rotary Club of Bombala hosts the Principals' Public Speaking Competition. Schools from across the district are invited to participate. This year seven representatives covered a vast array of topics. St Joseph's was represented by Max Chaplin and Nikolas Gay. Nikolas spoke about the environmental challenges posed by over-fishing and strategies we as individuals can follow to alleviate this situation. St Joseph's is extremely proud to share that Max Chaplin was the overall winner of the event with his speech about his family holiday to the Northern Territory. This win has been a long time in the making, with St Joseph's last taking out the winning position in 2008.

All students presented well organised speeches and are to be congratulated on their efforts. We thank all those who organised the event and see it as a fabulous opportunity for kids to 'have a voice' within our community.
