FATHERS DAY BREAKFAST & SCC POSITIVITY PROGRAM

It was a busy and event filled morning at St Joseph's Bombala on Friday 1st September.

The school was pleased to host around 40 Dads & Grandads for an early Father's Day breakfast. The School Community Council (SCC) treated guests to a warm welcome, some hot coffee and expertly cooked bacon & egg burgers! It was great to see such a big number make it along, and stay on, with most not in a hurry to get to work. The volume of work ute's lining the normally quaint Queen Street made for an impressive scene!

After the breakfast, the students were immersed in a musical experience with esteemed singer & facilitator Mandy Siegel. Mandy was brought along to school as part of the SCC Positivity Program, to run music workshops with the focus on positive messages. Mandy worked with the students in two separate sessions, forming two 'bands'. The students helped write the song lyrics and learnt about rhythm, with the use of percussion instruments of their choice. The older students also enjoyed a crash course in beat boxing and fused it in to funk up their rap-style song. The students produced a fabulous sound for their end performances. The songs were echoing through the playground at lunch and reportedly made it back to some homes that night. The objective of a memorable, joyful and fun experience outside of their usual classroom learning was achieved.

A special thanks to Mandy and Di for your involvement in our SCC Positivity Program.
