“Remember we are but travellers here” St Mary MacKillop (1873)

Staff and students of St Joseph’s would like to wish Lilly Day-Edgecombe and Jack Ventry GOOD LUCK, when they compete in the upcoming Catholic Schools State Athletics at the Sydney Olympic Stadium on Monday, 19th. Lilly will be competing in Discus and Jack in the 100m.

As a part of our Geography unit - Places, the infants and junior classes joined together to partake in a field trip to our local river bank to investigate aspects of the natural and manmade environment.

We walked across the bridge and along the river track. We saw a platypus in the river. It was so much fun! I can’t wait to go to platypus reserve - Mia, Oliver and Karina

We went for a walk down to sketch and talk about man made and natural things in our environment. - Miller
